

Nice

Nice Pro-1461J

The compact jackshaft operator for light commercial sectional doors with light duty cycle requirements

For balanced sectional doors up to 14 feet high.

Features

Compact

Control unit, motor, and electronics together in a small form factor.

Precise

Absolute encoder guarantees positioning without mechanical limit switches, and allows for gradual start and slowdown during operation.

Energy Saving

Eco-mode saves power by placing the system in standby when not in use, integrated LED light reduces energy usage compared to incandescent bulbs used in traditional garage door motors.

User friendly

Optional battery backup ensures reliable door operation even when the power is out.

Safe

Obstacle detection and entrapment systems are monitored during operation and safeguard against injury.

Nice Pro-1461J

Additional Features

Versatile:

Ideal for light commercial doors with light duty cycle requirements

Easy to install:

Compact design makes installation directly onto the shaft of a sectional door simple and fast

Practical:

Simplified connectivity between the control unit and optional accessories

Reliable:

Rigorous testing and quality control processes ensure long-term dependability

Customizable:

Dry contact & light terminals to indicate when door is in full open position and for control of external lights

Space-saving Design:

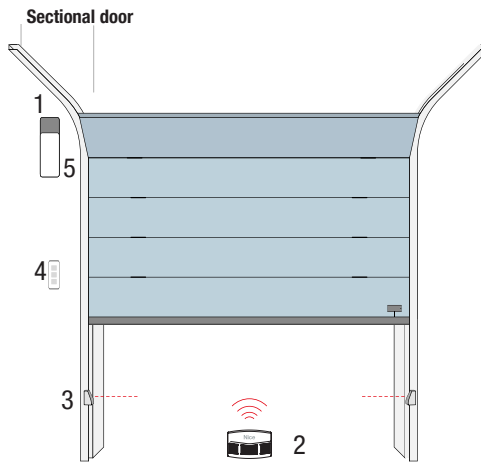

Compact unit mounts next to the door

TECHNICAL SPECIFICATIONS

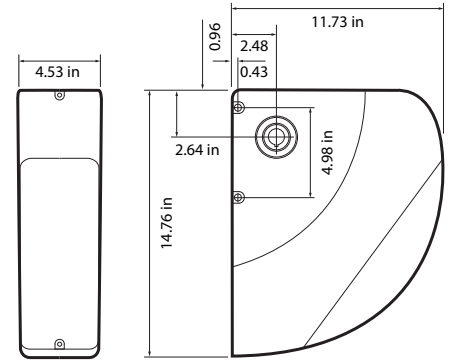

CODE	Description
PRO-1461J	Electromechanical gear motor with absolute encoder
CODE	PRO-1461J
ELECTRICAL DATA	
POWER SUPPLY (VAC 60 HZ)	115V
ABSORPTION (A)	1.6
POWER (W)	350
PERFORMANCE DATA	
SPEED (RPM)	30
TORQUE (NM)	50
MAXIMUM DOOR HEIGHT	14'
MAXIMUM DOOR WIDTH	18'
MAXIMUM DOOR WEIGHT	850 lbs.
MAXIMUM CYCLES PER DAY	25
DIMENSIONAL AND GENERAL DATA	
ENCLOSURE RATING	IP 40
BORE DIAMETER	1"

INSTALLATION DIAGRAM

1. MOTOR
2. TRANSMITTER (OPTIONAL)
3. PHOTOCELLS
4. PUSH BUTTON STATION
5. BATTERY BACK UP (INSIDE MOTOR - OPTIONAL)

DIMENSIONS

ACCESSORIES INCLUDED

MV00003
Wall mounted
Open/Close/Stop
push button station

HAE00081
Photo eyes

MTS3
3 button remote
transmitter

PS124
Battery backup

OXIMGC/A
MegaCode
receiver (required
for use with remote
controls)

DNT00094
Keypad

GAP13101
Shaft adapter for
unkeyed 1" door
shaft

MV00001
Single push
button station

MV00529
E-Lock
